Dimitris Kairidis is a Member of the Hellenic Parliament, representing Athens – North, since 2019. He served as Minister of Migration and Asylum of Greece, from 2023 to 2024. He is a Professor of International Relations at the Department of International, European and Area Studies of Panteion University.

Stavros Andreadis is President of the Cultural Society of Entrepreneurs of Northern Greece and Chairman of the Governing Council of the Theophano Foundation. He is also the Honorary President of the Sani/Ikos Group. He previously served as Chairman of the Association of Greek Tourism Enterprises for eight consecutive years (2001-2008), consequently becoming honorary Chairman and social partner.

Kristin Fabbe is a full-time professor at the European University Institute, holding a Chair in Business and Comparative Politics at the Florence School of Transnational Governance. She was previously the Jakurski Family Associate Professor in the Business, Government, and International Economy Unit at Harvard Business School.

Marian Wendt is the Head of the Konrad-Adenauer-Stiftung Foundation's Greece and Cyprus Office. From 2013 to 2021, he was a member of the German Bundestag with the Christian Democratic Union, representing North Saxony.

Eric Sutherland is a Senior Health Economist at the Organisation for Economic Co-operation and Development where he leads the organization's work on digital health. He previously served as the Executive Director of the pan-Canadian Health Data Strategy for Canada's Public Health Agency.

Andreas Stavropoulos is a Partner at Threshold Venture Capital. He is also a Vice Chairman of Endeavor Greece.

Iro Armeni is an Assistant Professor of Civil and Environmental Engineering at Stanford University.

Dionysis Bochtis is the Director of the Institute for Bio-Economy and Agri-Technology, at the Centre for Research and Technology – Hellas. He was previously a Professor in Agri-Robotics at the University of Lincoln's School of Agri-Food Technology & Manufacturing and a Senior Researcher at Aarhus University's Department of Electrical and Computer Engineering.

Michalis Bletsas is a research scientist, specializing in Network Computing Systems. He currently serves as the Governor of the Cyber Security Authority of Greece and he is also the Director of Computing at the MIT Media Lab.

George Verdi is a policy fellow with the European Power Program at the European Council on Foreign Relations. He specializes on the implications of critical and emerging technologies for the EU's competitiveness, economic security, and foreign policy.

Marios Dafnomilis is an advisor at the Special Secretariat of Foresight of the Presidency of the Greek Government, where he, among other things supports the work of the Prime Minister's High Level Group Committee on Artificial Intelligence.

Sophia Romansky is a Strategic Analyst at The Hague Centre for Strategic Studies. She is also the Project Coordinator for the Global Commission on Responsible AI in the Military Domain.
